## Split Your Team Top-Heavy Team

If your team is top-heavy and you are having trouble each week staying within the 23 rule, you may like this deal.

If you split your team into two separate teams and add a few new people to each, you will earn 2 free weeks of dues for each team. (That's an \$80 value, x 2)

This is the right solution for teams with several high ranked players who can never play in the same match. If you have this situation call our hotline at 201-569-2602.

(One deal per team. Deals cannot be combined.) (APAnyc , offer ends January 31, 2012)
